# 1. Introduction

The aim of this document is to offer valuable insights and details regarding the Hungry Jack's Employee Foundation. Inside, you'll discover information about the three Employee Foundation programs, gain valuable tips for engaging in discussions, and explore the numerous benefits associated with becoming a member and seeking support during challenging times.

# 2. Discovering the Employee Foundation

## 2.1 What is the Hungry Jack's Employee Foundation?

The Hungry Jack's Employee Foundation Trust (Employee Foundation) is an amazing initiative created by employees for employees, to give back to those in need. Established in 2008, Employee Foundation Members who contribute as little as $1 per week (after tax payroll deduction), can access financial support via three programs - Hardship, Helping Hand and Scholarship, if they meet the eligibility criteria.

## 2.2 The Three Key Programs

**Hardship Program**: The EF Hardship program supports employees by alleviating some financial pressures that have arisen as a result of a natural disaster, personal tragedy, or an incident beyond the member's control which has caused misfortune.

**Helping Hand Program**: In 2021, the decision to introduce the EF Helping Hand Program was made to support a larger number of applications submitted by the Foundation Members to access extracurricular activities, technology to support education events, and other community programs. The program enables employees to apply for one-off assistance up to the value of $299.

**Scholarship Program**: The EF Scholarship Program was established in 2016 to provide an opportunity for those Foundation Members who may not otherwise be able to access tertiary education as a result of personal circumstances. In 2021, the EF Scholarship Program was reviewed and relaunched for the Foundation Members. The revised EF Scholarship Program aims to support those Foundation Members who wish to study AQF Level 5 or above.

# 3. Why Become an EF Member?

Imagine contributing as little as $1 per week and knowing that your contribution directly supports your colleagues during their toughest moments. The Employee Foundation allows you to make a tangible difference. You aren't just an observer; you're a part of a campaign to make a difference.

## 3.2 Stronger Together

Becoming an EF member means joining a community committed to supporting one another. It's not just about financial aid; it's about being part of something bigger than yourself. When you're a member, you're never alone.
